REQUEST FOR CONTINUED EXAMINATION

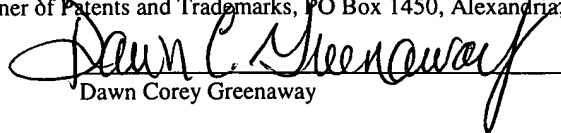

Sir:

This reply is being filed in response to the Notice of Withdrawal from Issue dated August 18, 2005. As no time deadline was given or suggested for reply or receipt of comments from Applicant, the fact that Applicant is formally responding within seven days and five business days of receipt of said Notice of Withdrawal from Issue should suffice to indicate that this Supplemental Reply is timely filed. From review of the MPEP there is no fee determined for this Reply or any amendments suggested. Applicants respectfully request the Examiner to determine if a fee is due, and if so what it may be. It should be noted that the Applicants comprise a small entity for this purpose.

Further to Applicants telephone conversations with Examiner Mondesi and Examiner Mondesi's Supervisor, John Weber, Applicants submit the following in response to the Examiners' concerns and respectfully ask for consideration.
